Meet Our November Speaker: Ronald R. Foshee

Ronald R. Foshee is a Certified Petroleum Geologist with an impressive 41-year career in the oil and gas industry. He earned his Bachelor of Science degree from Stephen F. Austin State University in 1978, followed by a master's degree from the University of Arkansas in 1980.

Throughout his career, Ron worked in onshore oil and gas basins across the United States, including the Arkoma and Anadarko Basins, the Rocky Mountain region, the Texas Gulf Coast, the West Texas Permian Basin, and the East Texas, North Louisiana, and Mississippi Salt Basins.

Join us in November to hear Ron share his knowledge of Earth's geological history and explore the fascinating forces that shaped the Appalachian Mountains!
